

Our commitment to the Sustainable Development Goals

At Madan Mohan Malaviya University of Technology, Gorakhpur, we believe that technological education, scientific inquiry, and ethical leadership are fundamental drivers of societal well-being, environmental preservation, and shared prosperity. Guided by the nation-building vision of Mahamana Pandit Madan Mohan Malaviya ji, MMMUT is formally committed to aligning its academic curriculum, research ecosystem, campus operations, and community engagement with the United Nations 2030 Agenda for Sustainable Development (UN SDGs) and India's National Education Policy (NEP 2020).
